## PROFILE

Hi! My name is Gabe Rosser & I love to design. I can only hope that my portfolio reveals that to you.

## EXPERIENCE

### **Graphic Design Services, Gotee/Mono Vs Stereo Records** Franklin, TN | 2008 - *Current*

To create digital & print media for the artists & the label in correspondence with staff members of Gotee & Mono Vs Stereo Records. Some of my tasks include, but are not limited to:

- Artist Myspace Layout (design & code)
- Splash/entry page layout (design & code)
- Animated .gif/flash web banners
- Promotional print material (magazine ad's, stickers, flats, etc.)
- Gotee.com email blasts (design & code)

### **Freelance Graphic Design** Birmingham, AL | 2006 - *Current*

I have created Myspace Layouts, Web Sites, web banners, print/promotional material, apparel, & various other graphics for bands & local businesses. These clientele can be found at [gaberossier.com](http://gaberossier.com) & include, but are not limited to:

- Red Mountain Community School ([redmountaincommunityschool.com](http://redmountaincommunityschool.com))
- Beckah Shae ([beckahshae.com](http://beckahshae.com))
- Brilliant Merch ([brilliantmerch.com](http://brilliantmerch.com))

### **Inventory Control, Apple Retail** Birmingham, AL | 2006 - 2007

Being a part of the grand opening of Apple R225 gave me the experience of working face to face with customers & peers in an environment that is driven by advances in technology. Here, I made many contacts & gained extensive experience on Apple products & services. I feel that the chase for the latest tools in communication is key in serving information to the masses.

### **Shift Manager, Cold Stone Creamery** Birmingham, AL | 2004 - 2006

I began as a server & worked my way up to Shift Manager. I was in charge of overseeing production & managing inventory during morning & night shifts. In this high energy job, I learned the importance of "Day-Making" & customer satisfaction along with
